

## Just Like Me Pre-Write

<b>Artist</b>	<b>Born (when and where)</b>	<b>Lives</b>	<b>Your Thoughts</b>
Tomie Arai	New York, 1949	New York	I love to look out the window like she does. I love walking around cities also, looking at the people. I admire the way she put the little picture of the skyscrapers in the corner, like she's dreaming. I really like the red she uses in her art, too.
